

# SMASH THROUGH OUR DEMOLITION LICENSING PATHWAY.

NOW  
AVAILABLE  
ONLINE!

## KEY BENEFITS

- With online you choose where and when to study
- Includes a 3 day practical workshop in Sydney
- Enrol and start anytime with up to 12 months to complete
- Safely demolish residential and commercial buildings
- Develop the skills and knowledge to manage demolition projects
- Keep costs down by preparing sites for new builds or renovations

## FEES

Members	\$3,500
Non-Members	\$3,850

## COURSE DESCRIPTION

Designed specifically for demolition workers who manually or mechanically demolish existing buildings and man-made structures to clear the land for re-build, re-use or renovation. Also ideal for renovators, builders and site supervisors who need to be involved directly with demolition for their residential and commercial building projects. Meet SafeWork NSW regulations and be on the pathway to a demolition licence. Entry requirements and eligibility criteria apply.
