2020 BUILDING DEGREE GRADUATE OF THE YEAR AWARDS

**Master
Builders
Association**
New South Wales

REWARDING THE FUTURE LEADERS OF THE INDUSTRY TODAY

The Master Builders Association is committed to the future of the building and construction industry in New South Wales.

One of the most important components of our industry's future is building degree graduates. Recognising this importance, the MBA believes that it is essential to reward those who strive to excel in their chosen field. The MBA Building Degree Graduate of the Year Awards, organised by Sydney Division, offer such recognition.

The MBA Building Degree Graduate of the Year Awards recognise quality of workskill, commitment to work and employer, and the overall attitude of the graduate.

By nominating your graduate you will offer them the opportunity to be recognised for their achievements before the entire industry.

President, Sydney Division

AIMS & OBJECTIVES

- To encourage individuals to strive for excellence, enhance their skills and pursue a path of positive progress in their chosen career;
- To promote the importance of a graduate and help them develop a sense of pride in their endeavours and their contribution to their industry;
- To present an award that recognises a building degree graduate who is undertaking their training and current position and has -
 - Achieved an outstanding result in formal study;
 - Performed at a high practical level in employment;
 - Demonstrated good character and a commitment to their vocation.
