CPC30611 CERTIFICATE III IN PAINTING AND DECORATING

RECOGNITION OF PRIOR LEARNING (RPL)

OVERVIEW

Master Builders Association of NSW Pty Ltd (Master Builders) is a Registered Training Organisation offering nationally recognised qualifications and courses across New South Wales which meet national industry standards.

The **CPC30611 Certificate III in Painting and Decorating**, RPL offered by Master Builders is designed to formally recognise skills already gained through on-the-job painting and decorating related experience by a process called Recognition of Prior Learning.

This qualification provides a trade outcome in painting and decorating, covering residential and commercial work. Upon successful completion you will achieve qualification **CPC30611 Certificate III in Painting and Decorating** or a Statement of Attainment for units deemed competent.

WHAT IS RPL?

Recognition of Prior Learning (RPL) is an assessment pathway that has been designed to acknowledge your full range of skills and knowledge, irrespective of how it has been acquired. This includes competencies gained through formal and informal study, work experience, employment, and other life experiences.

Master Builders is committed to helping you get your experience recognised, irrespective of where and how your learning has taken place.

WORK REQUIREMENTS

Applicants must be employed under licenced builders or tradespeople for at least three years and have access to work sites to be able to complete the RPL and workplace projects in the RPL pathway.

By enrolling into an RPL pathway, you are responsible for access to resources and the range of jobs that are needed to be able to provide required evidence.

ENTRY REQUIREMENTS

Master Builders applies the following entry requirements:

- a minimum of three years full-time (or equivalent) painting and decorating related experience in the construction industry (experience must be within the last 10 years)
- a valid White Card (General Construction Induction card)
- currently working on active painting and decorating projects
- able to provide details of two referees to confirm your work history/experience. Referees must be a qualified/licenced tradesperson in painting and decorating and have worked with you for 12 months or more
- able to answer at least 80% of the technical industry questions correctly during your application process.

This RPL pathway has been designed to meet part of the NSW Fair Trading criteria to apply for a Painting and Decorating Contractor Licence. NSW Fair Trading have specific criteria in addition to this qualification.

Visit the NSW Fair Trading website for further information www.fairtrading.nsw.gov.au.

SMART AND SKILLED

This training may be subsidised by the NSW Government under the Smart and Skilled initiative. If you are eligible for the government subsidy, your student fee will be determined by the NSW Government.

Smart and Skilled prices are subject to funding availability. Fees and funding will be confirmed once we have received your successful application.

To be eligible, you must also meet the following Smart and Skilled eligibility criteria:

- You are at least 15 years old
- You live or work in NSW
- You are an Australian citizen or permanent resident or a humanitarian visa holder, or a New Zealand citizen
- You are no longer attending school

ENROLMENT

You will be required to provide evidence of meeting entry requirements upon enrolment, including any transcripts you have achieved from any prior training.

On enrolment, you will be required to provide copies of:

- Drivers licence (photo ID with address)
- Green Medicare Card or Passport
- A valid White Card

Participants will require sufficient language, literacy, and numeracy skills to be able to engage in the assessment and to perform workplace tasks such as calculating materials, interpreting building plans and specifications, and recording work outcomes. If you require assistance, please contact us to discuss options available to you.

It is anticipated that the RPL process will take between three (3) and six (6) months. You should aim to have the knowledge questions completed in the first two (2) months.

It is a condition of enrolment that you have access to resources and job sites where you can undertake practical projects.

RESOURCE REQUIREMENTS

An RPL pathway will require you to have access to a construction work site and at least the below items:

- Computer with internet access
- Phone or laptop/iPad to gather video and photo evidence of undertaking practical tasks
- Personal Protective Equipment (PPE) including steel cap work boots, hearing protection, eye protection, and that all electrical tools and leads are tested and tagged
- Tools of the trade, materials and equipment to perform the assessment tasks including:
 - Access to Elevated work platform
 - Scaffolding, trestle and plank system
 - Brush-ware and accessories
 - Buckets and paint pots
 - Covers / drop sheets
 - Filling knives and blades
 - Hammers / sanders / nail guns
 - Mechanical sanders
 - Spray equipment
 - Roller frame and accessories
 - Nail punchers / putty knives
 - Scrapers / wire brushes
 - Airless spray equipment
 - Water blasters
 - Ladder and safety harness

RPL ASSESSMENT METHODS

You will be required to complete an RPL Kit which includes sections for:

- Knowledge questions
- Practical projects and observations

The knowledge questions are a series of questions designed to be answered comprehensively. These questions relate to different units within the qualification and assess understanding of tasks and processes within the construction industry.

A portfolio of evidence is to be collected for practical projects outlined in your RPL kit. This evidence includes documentary evidence, photos, and videos. Detailed instructions of evidence required and tasks to be undertaken are included in the RPL Kit.

You will be required to have access to a variety of jobs where skills need to be demonstrated. Sample evidence you will be required to provide relates to:

- Planning projects and construction site safety
- Applying paint by brush and roller
- Applying paint by spray
- Matching specified paint colour
- Removing and replacing windows and doors
- Colour matching enamel colour
- Erecting / maintaining trestle and plank systems
- Applying stains and clear timber finishes
- Erect and dismantle scaffolding
- Safely use an EWP
- Applying and removing wallpaper
- Applying decorative finishes / texture coatings
- Applying protective paint coatings
- Site clean up
