CATEGORY DEFINITIONS

Concrete Pools

Entries in this category must consist of a pool primarily constructed using concrete. Entries should exemplify the art of utilising concrete as a fundamental building material to create a functional and aesthetically pleasing aquatic space.

Commercial Pools

Entries in this category must encompass a pool constructed under a commercial contract. These pools are designed for public utilisation within commercial environments such as hotels, resorts, fitness centre's, and entertainment complexes.

Commercial Spas

Entries in this category must encompass a spa facility created under a commercial contract. These spas are tailored for public use within commercial establishments, including hotels, resorts, wellness centre's, and leisure complexes.

Display Pools

Pools in this category must be built in a Display Village and/or part of a Display Home. Pools in this category must be built to specifically visually illustrate design possibilities. Entries must aim to exemplify the builder's or developer's aquatic offerings, highlighting features, layouts and design options and must not be actively in-use.

Fibreglass Pools

Entries in this category must encompass a pre-manufactured and pre-formed pool structure constructed using layers of fibreglass-reinforced composite materials. Pools must be designed and fabricated off-site, then transported and installed in a single unit.

Lap Pools

Entries in this category must represent a lap pool, a purpose-built aquatic facility intended primarily for focused swimming and fitness training and be at least 12 meters in length. Lap pools in this category must demonstrate a commitment to providing an optimal environment for dedicated swimming activities.

Plunge Pools

Entries in this category must be a compact aquatic space designed for quick cooling and relaxation. Plunge pools must be intended for brief immersion rather than extensive swimming.

Pool Renovation

Entries in this category must showcase the transformative overhaul of an existing aquatic facility. Entries in this category must involve substantial modifications to enhance functionality, aesthetics, and features or updating outdated components. Entries must reflect the art of reimagining and revitalizing aquatic spaces to align with contemporary standards, user preferences and current Australian Standards.

Spas

Entries in this category must be a spa purpose-built for hydrotherapy, relaxation, or rejuvenation. Entries should highlight the integration of jets for massage and hydrotherapy purposes.

FREQUENTLY ASKED QUESTIONS

What are Excellence in Pool Awards?

The Master Builders Association of NSW Excellence in Pool Awards celebrates excellence in pool construction, innovation and quality. The Awards showcase the very best in pool construction including renovations, concrete pools, fibreglass pools, display pools and commercial pools & spas.

Who can enter the Excellence in Pool Awards?

The awards are open to both members and non-members of MBA NSW within the residential sector of the building industry. To be eligible for entry, the project must have been completed within a two year period prior to the entry closing date.

Is this information for the Regional Awards as well?

The Excellence in Pool Awards are run by the State office, these awards run independently from the MBA Regional Awards. Regional projects are eligible to enter into the State Awards. Entrants wishing to be judged for the Regional Awards should enter the Regional Awards separately. For more information on our Regional Awards, [click here](#).

Can I resubmit a project I entered last year?

No, previous entries cannot be resubmitted.

Can I submit a project without a HBCF Certificate

If you did not obtain a HBCF Certificate, the entry is not eligible. A declaration form to confirm that the appropriate insurance has been obtained is a requirement when submitting the online entry form.

Can I submit a project without Certificate of Compliance?

No, all entries must have obtained a Certificate of Compliance to be eligible in the Awards. If the owner or home builder obtained a copy of the certificate, you must obtain a copy to accompany your entry in the Awards.

What documentation do I need to submit an entry?

All the required documentation can be found on [Page 3](#) of this booklet under section B.

Can I submit my own photos?

Yes, we encourage entrants to submit their own photos providing they are at least 300dpi and meet all photography requirements listed on [Page 3](#) under section C of this booklet.

I don't have photos, can I still submit a project?

Yes, you can submit your entry and send photos to events@mbansw.asn.au at a later date. We also offer a professional photography service; you can opt for this option when completing the online entry form. Please ensure all photos are submitted before the scheduled judging date. Any photos not included in the submission by your assigned judging date may impact the judging process.

Can I submit a project that is still under construction?

No, all projects must be completed prior to the entry deadline. Projects under construction are not eligible.

Can I enter a joint venture?

Yes, you can. Please ensure you add both company names when completing the entry form and ensure the authorisation form is signed by all parties.

What is the cost to enter the awards?

The cost to enter a project for members is \$550 (inc GST). Non-member fees are \$770 (inc GST).

Can I enter a confidential project?
