FREQUENTLY ASKED QUESTIONS

What are the Excellence in Construction Awards?

The Master Builders Association of NSW Excellence in Construction Awards holds a prominent status within the industry as the premier annual event for the commercial, industrial, and civil engineering sectors. These prestigious awards serve as a platform to celebrate remarkable accomplishments by companies and individuals within the building and construction industry in NSW. For nearly three decades, numerous outstanding commercial builders in NSW have been acknowledged and honored for their exceptional construction excellence, cementing their reputation as industry leaders.

Who can enter the Excellence in Construction Awards?

The awards are open to both members and non-members of MBA NSW within the commercial sector of the building industry. To be eligible for entry, the project must have been completed within a two year period prior and have reached practical completion by the entry closing date.

Is this information for Regional Awards as well?

No, this information is for the State Awards, these awards are run independently from the Regional Awards. Regional projects are eligible to enter into the State Awards. Entrants wishing to be judged for the Regional Awards should enter through the relevant regional office. For more information on our Regional Awards, [click here](#).

Can I resubmit a project I entered last year?

No, previous entries cannot be resubmitted.

What documentation do I need to submit an entry?

All the required documentation can be found on [Page 4](#) of this booklet under section B.

Can I submit a project with an Interim OC?

If you have not yet obtained a Final OC, you will be required to submit an Interim OC with a detailed explanation as to why the Final OC has not been obtained and what parts of the building are not certified and why. Acceptance of the entry based upon this explanation will be at the judges discretion.

How old can a project be?

A project must have been completed within a two year period prior and have reached practical completion by the entry closing date.

Can I submit my own photos?

We encourage entrants to submit their own photos providing they are at least 300dpi and meet all photography requirements listed on [Page 4](#) under section C of this booklet.

I don't have photos, can I still submit a project?

Yes, you can submit your entry and send photos to events@mbansw.asn.au at a later date. We also offer a professional photography service; you can opt for this option when completing the entry form.

Can I submit a project that is still under construction?

No, all projects must be completed prior to the entry deadline. Projects under construction or projects that have not obtained a Final OC are not eligible.

Can I enter a joint venture?

Yes, you can. Please ensure you add both company names when completing the entry form and ensure the authorisation form is signed by all parties.

What is the cost to enter the awards?
