Entry Information

REQUIREMENTS

Entries are judged by industry experts. To give the judges guidance prior to judging, you are required to provide the following information.

A. Online Entry

Complete and submit your online entry at mbansw.awardsplatform.com by **5pm** on **Friday 6 June 2025**.

B. Must provide evidence of the following:

- New controls
- Development of a new safety innovation
- Demonstrate elimination and minimisation of risk
- Consultation with workers and/or other Persons Conducting Business or Undertaking (PCBU's) formerly known as sub-contractors.

C. Digital Images

High resolution digital progress photos **MUST** be submitted with entries. Images provided will be used in the audio-visual presentation and print media. Entrants are responsible for the quality of all images.

- Minimum resolution of 300 dpi
- Format: JPEG or PNG
- Landscape Orientation photos preferred

D. Authorisation

The company director and the Client must signify their consent to the project being entered into the awards and willingness to be bound by the rules including accompanying publicity, by signing the authorisation form.

Best Personal Employee Contribution to WHS

Open Nomination

Safety Innovation

Open Nomination

Judging

Judging will take place in July 2025 and comprises of a combination of submission review/phone interviews and/or site visit or any combination of these, depending on the specific project and timing.

In the event of onsite judging, any unsuitable dates must be noted on the entry form. Once judging dates are assigned, they cannot be changed. Entrants will receive at least two weeks' notice of their judging date and must ensure the relevant personnel are available.

The judges decision is final and no correspondence will be considered. The judges reserve the right to reclassify any entry and a winner may not be declared in all categories.

Projects must be under construction. If your project is likely to be completed prior to the entry deadline, please contact David Solomon on 0420 227 060 to discuss.

Frequently Asked Questions

Who can enter the Site Safety Awards?

The awards are open to both members and non-members of MBA NSW within the commercial sector of the building industry. Non-Member entries are not eligible to progress to the National Awards. **Projects must be under construction and located within the State of NSW.**

Can I resubmit a project I entered last year?

No, previous entries cannot be resubmitted.

What documentation do I need to submit an entry?

All the required documentation can be found on [Page 3](#) of this booklet under section B.

My project is scheduled to be completed prior to the deadline, can I still enter?

Yes, all projects must be under construction at the time of judging. If your project is likely to be completed prior to the entry deadline, please contact **David Solomon** on **0420 227 060** to notify the judges.

Can I enter a joint venture?

Yes, you can. Please ensure you add both company names when completing the entry form and ensure the authorisation form is signed by all parties.

Do I need professional photos?

No, any photos that meet all of the photography requirements listed on [Page 3](#) under section C of this booklet can be submitted. Please note that good quality images will better profile your entry in print media and audio-visual presentations.

Can I enter a confidential project?

Yes, when entering a confidential project, please add **CONFIDENTIAL** to the company name when submitting an entry. Please note client information will never be published.

Is this information for Regional Awards as well?

No, this information is for the State Awards. These awards are run independently from the Regional Awards. Regional projects are eligible to enter the State Awards. Entrants wishing to be judged for the Regional Awards should enter through the relevant regional office. For more information on our Regional Awards, [click here](#)
